WSB: General Colin Powell

Thank you very much for taking the time to speak with me regarding Julius Baer's interest in hosting General Powell to deliver a presentation at their event on Thursday, November 5, 2015 in Singapore. While I cannot guarantee his ability to accept this invitation until the full details are presented to his office for review and final response by way of an invitation contract, I can indicate that his professional schedule currently reflects availability during the timeframe of this event. The process to present him with an invitation contract is quite simple and I will be pleased to create one pending Julius .Baer's final decision to invite him

At the bottom of this message, you will find General Powell's brief biography, fee information and travel requirements for your review and consideration. I hope that you .find this useful

I have also included my complete contact details. Should you have any questions or .comments, do not hesitate to let me know

Thank you for giving me and WSB this opportunity to work with you. I am delighted to .assist you

,Warm regards

Meredith
